Heartsease Farm Wild Elderflower Sparkling premium presse cans 330ml

Carbonated Spring Water With Elderflower Extracts 12x330g

PRODUCT DESCRIPTION

Elderflower is the quintessential scent of British summer. We use hand-picked sprays to make our delicately floral presse. With 100% natural ingredients and Radnorshire spring water, this drink will add sparkle to your favourite summertime cocktails. Some fruit may settle, give our bottles a little shake or turn to release the flavour. Heartsease Farm is based in Wales and its here the Watkins family have lived and farmed since 1903. It is still a working farm today and we crafted the Heartsease Farm range as a nod to the heritage of the company. Heartsease Farm tastes beautiful just poured over ice in a tall glass or as a mixer with your favourite spirit. You could always try our 'Orchard Kiss,' serve Apple Vodka and Poire Liqueur served over ice and topped our Elderflower presse, garnish with an Apple slice. Heartsease Farm is a working farm and we believe it's our duty to protect the environment we live, work and farm in and that's why we are a proud to be a zero to landfill bottling site.
