# FRUIT SHOOT ORANGE NAS PET 12 X 275ML

Low Calorie Orange Soft Drink With Sweeteners 12x

## PRODUCT DESCRIPTION

The full Fruit Shoot range is free from added sugar. Each bottle of original Fruit Shoot contains about half teaspoon of sugar, naturally occurring from the juice. Not only is every product free from added sugar, none of our Fruit Shoot variants contain any artificial colours or flavourings. This is just one of the reasons Fruit Shoot is recommended by 94 Percent of users on Netmums, the UK's largest parenting website. What else makes it so highly recommended you ask? Fruit Shoot is bursting with fruity flavour which helps your child fall in love with the taste of fruits. It is also refreshing, the suitable way to ensure that your child stays hydrated after an intense session on the playground. Another reason is that it's truly for everyone. Ok, so it sounds silly, but some drinks aren't suitable for vegetarians. However, Fruit Shoot is proud to say that all of our drinks are suitable for vegetarians (and non-vegetarians alike).

MARKETING INFORMATION

**Marketing Description**

When kids are busy doing the things they love, we're right there with them. Keeping them refreshed with our great tasting drinks. It's just what we do. Our hand picked oranges are grown in warm, sunny climates. Ripened and harvested when they're lovely and juicy, before being pressed and squeezed. That's why every bottle of Fruit Shoot is so deliciously fruity.
