Unleash the flavour with Volvic Touch of Fruit Lemon & Lime: •Made with natural flavours •Low in calories and sugars and free from artificial sweeteners* •Recyclable bottle For the perfect blend of refreshing Volvic Natural Mineral Water with a zesty lemon and lime flavour, try Volvic Touch of Fruit Lemon & Lime flavoured water. Low in sugars, with no artificial sweeteners*, Volvic Touch of Fruit Lemon & Lime flavoured water is just 26 calories per 250ml serving. Filtered through six layers of volcanic rock, our mineral water stems from one of the largest nature reserves in Europe. We've simply added a touch of fruit for a delicious taste that you'll love. Our 0.5L bottles of Volvic Touch of Fruit Lemon & Lime are perfect for sharing with friends and family or keeping you hydrated** throughout the day. More from Volvic As well as 7 other delicious flavours of Volvic Touch of Fruit, explore our natural mineral water, which comes in a variety of different formats. From small and compact, to bigger bottles and water multipacks, there's a Volvic Natural Mineral Water to suit you, with a taste you'll love. Protecting nature is at the heart of our business. As part of the B Corp movement, this has been written into our mission statement that as an organisation, we're committed to making a positive impact on the world around us. We're committed to preserving the natural ecosystems from where our pristine water is sourced by investing in local projects to actively maintain the balance of biodiversity within the area. Discover more about our nature protection projects at: www.volvic.co.uk/volcanic-water/nature-protection. In addition to protecting and preserving the source, Volvic has been taking concrete steps to improve how we do business like reducing our carbon footprint. Since 1992, we have been using recyclable bottles. Throughout the years, we have significantly reduced the weight of our packaging, and increased the use of recycled plastic in our bottles with a goal of reaching 100% recycled plastic by 2025***. Volvic has also reduced its energy consumption by 29% since 2007 through investments in energy-efficient equipment and a circular approach to energy usage. In addition, Volvic is promoting low impact transport by having 33% of our transport in Europe by train. These initiatives collectively demonstrate a commitment to environmental sustainability, encompassing biodiversity protection, recycled and recyclable packaging, energy efficiency, and low-impact transportation. *Sweetened with a bit of sugar and stevia leaf extract **Water (2L/day from all sources) contributes to the maintenance of normal physical and cognitive functions. Consume as part of a healthy lifestyle and balanced diet. ***Excludes caps and labels
